

# complete professional order

## SKINCARE

asap is Australia's number 1 cosmeceutical skincare range and offers scientifically formulated and results driven solutions for all skin types. This comprehensive skincare offer includes the complete range of asap skin products, testers, product display stand, value packs, marketing material, education and business support to empower your business.

## CLINICAL PEELS

asap professional only peels provide a non-invasive treatment for clients seeking highly visible results with no downtime. This offer includes the complete set of peels to cover all skin types, neutraliser, application tools and extensive education.

## MICROPLUS+

Made in Australia and developed by asap, microplus+ combines the benefits of microdermabrasion, sonophoresis and ionic cleansing in the one device. microplus+ offers an ongoing, high return on investment and comes complete with onsite training, marketing material and bonus professional treatment product.

## MINERAL MAKEUP

asap pure is Australia's 1st cosmeceutical mineral makeup. The award winning range combines the highest quality natural ingredients with the latest advances in skincare technology to provide a radiant finish, improved skin health and anti-pollution protection. This offer comes complete with retail products, product testers, display stand, marketing material and product education.
